

Peace, Presence, Power

An accelerated program of clearing, inner reflection and spiritual evolution
with

[Dave and Pat Krajovic](#) of the [Global Breath Institute](#)

This program is designed for serious aspirants only. If you wish to:

- Experience a deeper understanding of self.
- Clear deep seated emotional blocks.
- Realize profound change on the causal level.
- Replace the emotional whirlwind of the mind with peace, joy, and calming presence.
- Bring more Consciousness and Awareness into everything you do.
- Discover a daily tool to enhance your life and spiritual practice ... then consider joining us

Don't let life pass you by. It's time to wake up. Look at how others have [benefited](#).

"This has been the most profound experience of my life. I have found myself, freed myself of a troubled relationship, got rid of my migraines that no amount of medication would fix and have so much more energy. It's great to feel alive again. Thank you, thank you, thank you for guiding my experience to that Spirit filled space."
Amber-Presence Process Participant.

There are many more who feel the same.

Consider joining us as we integrate the tools of *Michael Brown's* life altering [Presence Process](#) into our daily lives, resulting in profound [physical, mental and emotional change](#). At the same time we will introduce you to [Pranic Breathing](#) which is one of the most powerful transformational tools on the planet today.

When: 10 consecutive Mondays, April 8 through June 10; 7-9 PM EDT

Where: Globally: via conference call

Locally: [BodyWorks Healing Center](#), Plymouth, MI
